INDEPENDENT AUDITORS' REVIEW REPORT TO THE BOARD OF DIRECTORS OF ESSAR SHIPPING LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **ESSAR SHIPPING LIMITED** ("the Company") for the quarter and six months ended September 30, 2014 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 5 below. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Attention is invited to note 7 of the Statement regarding the ongoing assessment by the Management of the possible 'other than temporary' decline in the value of long term investment of Rs.4,748 crores as at September 30, 2014 in the equity shares of Essar Oilfields Services Limited, Mauritius, a wholly owned subsidiary of the Company, in terms of Accounting Standard (AS) 13, Investments. We have been informed that the Management of the Company has not concluded the process of validating various operational assumptions impacting the estimated future cash flows from the operation of the rigs of the said subsidiary, and the consequent effect on the valuation of the subsidiary to determine whether there is any decline, other than temporary, in the carrying value of the aforesaid investment. Pending conclusion of the said assessment by the Management, we are unable to comment on the provision for diminution, if any, which may be required in respect of the carrying amount of the aforesaid investment.
4. Based on our review conducted as stated above, except for the possible effects of the matter described in paragraph 3 above which has not been concluded by the Company's Management, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India, and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged / encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II - Select Information for the quarter and six months ended September 30, 2014 of the Statement, from the details furnished by the Management.

The operations includes fleet operating and chartering, logistics services and oilfields services. During the quarter ended 31st March, 2014, Varada Drilling One Pte. Ltd. and Varada Drilling Two Pte. Ltd., became associates of the Company.		
4	During the previous year, the Company had reduced its logistics services operations and hence the financials of the current period / year are not fully comparable with the previous periods / year.		
5	Effective 1st April, 2014, depreciation on fixed assets is provided in accordance with part C of Schedule II to the Companies Act, 2013.		
6	Other income for the current quarter includes ₹.61.94 crore representing extinguishment of future instalments pursuant to foreclosure of finance lease of a vessel.		
7	(a) The Goodwill on consolidation in the financial statements of the group (carrying amount of ₹ 5,631.23 crore as at 30th September, 2014) pertains to the Oilfields Services Business. The carrying amount of certain rigs of the Oilfields Services Business which have not been deployed for extended period of time, is ₹135.04 crore as at 30th September, 2014. Having regard to the changes in the off-shore drilling markets worldwide and the expected impact of the same on the possible business scenarios applicable to the group's Oilfields Services Business, the Management of the Company initiated an exercise of assessing the carrying amount of the goodwill and aforementioned rigs in terms of Accounting Standard (AS) 28, Impairment of Assets, engaging independent valuers to assess the carrying amount of the Oilfields Services Business. In view of recent sharp fall in the crude oil prices, pending execution of the novation agreement for jack up rigs, up-gradation and utilization of aforementioned rigs and considering the current volatility in the industrial scenarios, various operational assumptions for long term projections are being studied in detail. Pending conclusion of the aforesaid assessment, no provision for impairment of the goodwill and aforementioned rigs, if any, has been recognised.		
	(b) Essar Oilfields Services India Limited (EOSIL) a subsidiary of the Company has novated the rig building contract for two jack up rigs and hence carrying amounts of capital work-in-progress related to such rigs are currently grouped under 'Other Current Assets' as 'assets held for sale'. The Company is assessing the impact of certain intermediate interruptions at the construction site so as to determine the amount of borrowing costs, if any, ineligible for capitalisation. Whilst the assessment is being carried out by the Management, borrowing costs amounting to ₹ 35.89 crore incurred during the quarter have currently been capitalized as part of the cost of construction of the aforesaid jack-up rigs.		
	(c) Pending conclusion of assessment, the Statutory Auditors have expressed their inability to comment on matters referred to in para (a) and (b) above in their limited review report.		
8	The Board of Directors in response to a request from a major promoter shareholder has proposed the Company to delist the equity shares of the Company for which consent of the shareholders through E-voting / postal ballot is being sought.		
9	Tax expense for the period / year includes income tax, tonnage tax and deferred tax.		
10	The figures of the previous period(s) / year have been regrouped / reclassified wherever necessary.		
11	As per Clause 41 of the Listing Agreement, the standalone financials are available on the Company's website: www.essar.com

 - b. Essar Oilfields Services Limited

Pending conclusion of the said assessment, we are unable to comment on the provision for impairment, if any, which may be required in respect of the carrying amounts of the aforesaid Goodwill and Rigs.

5. Attention is invited to note 7(b) of the Statement about the ongoing assessment by the Management of the impact of intermediate interruptions in construction of two jack-up rigs so as to determine the amount of related borrowing costs ineligible for capitalisation. Pending conclusion of the said assessment, we are unable to comment on the amount of borrowing costs that do not qualify for capitalisation in terms of the requirements of Accounting Standard (AS) 16, Borrowing Costs.
6. Based on our review conducted as stated above and based on consideration of unaudited interim financial information of associates referred in paragraph 7 below, except for the possible effects of the matters described in paragraphs 4 and 5 above which have not been concluded by the Company's Management, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India, and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
