Soing Concern: Material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern however the Statement has been prepared as a going concern. The impact of the same on the standalone financial results of the Company is unascertainable.

2. Corporate guarantee's issued by the Company have been invoked by the landers of the certain subsidiaries: As matters are in various stages of discussion between the management of the subsidiaries and the lenders, the Company has not made any provision for corporate guarantees as the possibility of economic outflow is remote. Had the Company made the provisions, the loss for the period would have been higher by Rs. 1600 crore and the net worth would have been lower by the same amount.

Independent Auditor's Limited Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors of Essar Power Limited

- We have reviewed the accompanying statement of unaudited quarterly standalone financial results of Essar Power Limited ('the Company') for the period ended 31<sup>st</sup> December, 2021, and year to date from 1<sup>st</sup> April, 2021 to 31<sup>st</sup> December, 2021, ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 read with Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Repolting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# 4. Qualified Opinion

Based on our review conducted as above, except for the matters described in 'Basis of Qualified Opinion' paragraph below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

# 5. Basis for Qualified Opinion

i. As explained in Note 3 to the Statement, the Company has received a recall notice from LIC for repayment of total outstanding and the lender has initiated legal proceedings in DRT-1, Mumbai for recovering the same. The Company has a negative net worth of Rs. 2,570.50 Crore. As mentioned in Note 3, the Company is in discussions with various lenders for a one

time settlement/restructuring of debts and has received an in-principal approval from LIC. The Company expects its net-worth position to improve on successful settlement of all outstanding. Further, as mentioned in our qualification No. 2 below, the Company has a substantially material liability on account of corporate guarantees invoked by the lenders of the subsidiaries for which the Company has not made provisions in the Statement. The plant is in a state of shutdown and the Company has substantially impaired its plant to the extent of its realizable value based on prevailing conditions. The aforesaid situations indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern however the Statement has been prepared as a going concern. The impact of the same on the standalone financial statements of the Company is unascertainable.

ii. As disclosed in Note 4 to the Statement, corporate guarantees of Rs. 1600 crore issued by the Company have been invoked by the lenders of Essar Power Gujarat Limited. The Company has not made any provision for corporate guarantees as it believes the possibility of economic outflow is remote. As these are invoked guarantees, the Company should have made provisions for the same. Had the Company made the provisions the loss for the period would have been higher by Rs. 1600 crore and the net worth would have been lower by the same amount.

# 6. Emphasis of Matter

- i. As disclosed in Note 5 to the Statement the Company has recognized exceptional loss of Rs. 840.46 crore for the nine month period ended 31<sup>st</sup> December, 2021 which is majorly on account of provision of corporate guarantee of Rs. 815 crore and Rs. 25.46 crore towards provision for doubtful deposits.
- ii. Attention is drawn to Note 7 to the Statement regarding the Company's Non-Banking Finance Company ("NBFC") status. The Company has applied to the Reserve Bank of India seeking waiver from registration as NBFC for FY 2021-22 on 9<sup>th</sup> December, 2021, and is awaiting reply on the same. The Company had filed a similar application for FY 2020-21, FY 2019-20, FY 2018-19, 2017-18 and FY 2016-17 as well, for which it is yet to receive any response.

iii.

Attention is drawn to Note 4 regarding discharge of corporate guarantees issued by the Company to the lenders of Essar Power MP Limited pursuant to the order passed by the Hon'ble NCLT on 1<sup>st</sup> November 2021.

iv. For reasons given in Note 13, the Statement does not include figures for corresponding quarter ended 31<sup>st</sup> December 2020 and year to date figures for previous year ended 31<sup>st</sup> December, 2020. The figures for the quarter ended 30<sup>th</sup> September, 2021, are a difference between results for half year ended 30<sup>th</sup> September, 2021, which was subjected to limited review, and quarter ended 30<sup>th</sup> June 2021, which was not subjected to audit or limited review.

Our opinion is not modified in respect of any of the above matters.
